

Watercrest of Lake Nona Hosts School Supply Drive to Support Northlake Park Community School

VERO BEACH, FL, August 10, 2015 – [Watercrest of Lake Nona](#) is currently hosting a school supply drive to benefit the teachers and students of nearby Northlake Park Community School. Watercrest has chosen to partner with Northlake Park as part of their common unity initiative, a commitment to serving others and fulfilling needs in our hometowns through the Watercrest Common Unity program.

School supply donations will be accepted through August 19th at the Watercrest of Lake Nona Sales Office, 9685 Lake Nona Village Place, Suite 205, Orlando, FL 32827. For a complete wish list of supplies, please contact Jill Romie, Community Relations Director for Watercrest of Lake Nona at 407.226.3113 or jromie@watercrestseniorliving.com.

“After meeting with Northlake Principal, Lee Parker, we learned the teachers must often buy school supplies out of their own pocket mid-year. We’ve chosen Northlake Park as a partner in our common unity initiative to help minimize the expenses for the teachers in our community,” says Jenny Phillips, Executive Director of Watercrest of Lake Nona.

An “A-rated” school serving over 800 students from pre-kindergarten to fifth grade, the award-winning Northlake Park Community School is located in the northernmost section of Lake Nona, a 7,000-acre master-designed community in East Orlando.

“We are very happy to have Watercrest of Lake Nona as one of our community partners. The school supplies they collect will be given to students in need, which tremendously helps our teachers who often spend their own money buying supplies for students without them,” says Lee Parker, Principal of Northlake Park Community School. “Having partners who are willing to step-up and fill a critical need is truly an asset for our school and community.”
