## WATERCREST SHARES

*If it's important to you, it matters to us!*

## TECHNOLOGY ENHANCEMENTS

Whether it's a stroll through a centennial rose garden, a demonstration with live owls, and exploration of the history of jazz, or a visit to the Grand Canyon, lifelong learning is a reality for seniors in our communities.

We are dedicated to bringing older adults the best in live, interactive educational and entertainment programming from exceptional presenters and organizations, such as museums, art institutes, and countless cultural, historical and artistic venues.
